Add comment

**What is this group hoping to accomplish?**

Anonymous 5mo

They want to implement a program at their school like a support group.

♡ 1

Add comment

**What are some strengths of this project?**

Anonymous 5mo

I thought contacting counselors would be a great idea.

♡ 1

Add comment

**How could this project be improved?**

Anonymous 5mo

They could make some changes to their research question. So they would not have a problem with getting the project approved. Or they could make changes to their questions that they would ask in their survey.

Add comment

5mo

they want to make a program at their school

♡ 0

Add comment

Anonymous 5mo

They're very passionate about this topic.

♡ 0

Add comment

5mo

how will they be able to get people to answer tough questions

♡ 0

Add comment

Anonymous 5mo

How drugs in a household can affect children's home life.

♡ 0

Add comment

Anonymous 5mo

They want to create a safe way to help those whose house holds are dealing with drug abuse.

♡ 0

Add comment

Anonymous 5mo

Because they're so passionate about this topic, they'll be able to make a very successful project.
