

Assessing Remote Research for High School - Stainbrook Supplement - Skills Inventory

Skills Inventory

What are your strengths and weaknesses? Rate yourself using the following numbers. Use the empty boxes at the bottom to add any additional skills.

1. "I don't even know what this is"
2. "I need a lot of work on this"
3. "I'm ok, but could use some practice"
4. "I'm pretty good at this"
5. "I'm so good at this that I could teach others."
